**Theresa May has been criticised for trying too hard to move Britain close to the new Trump administration, by pandering to the president's talk of a modern rekindling of the Reagan-Thatcher relationship. Critics fear she is going too far to ingratiate herself and the country with the new US leader. We can only imagine what steps she might take.**

**@realDonaldTrump** On advice of special friend have set up this new Twitter feed to talk directly to the people. Enjoy!

**@realDonaldTrump** Heading to DC Thursday. Honoured to be 1st world leader to see **@realDonaldTrump**, apart from those who met him before the inauguration.

**@realDonaldTrump** 3 days till DC. Special friend has given me some tweeting tips. Watch this space! #veryspecialrelationship

**@realDonaldTrump** Unelected judges defy will of the people on Brexit. Sad.

**@realDonaldTrump** Next week I will announce eight new Supreme Court nominations. #agirlcandream

**@realDonaldTrump @hillerkiller**, Fiona we are not publishing a white paper on Brexit. I've said what I have to say.

**@realDonaldTrump @hillerkiller** What! Everyone can see this? What's DM, isn't it the Daily Mail?

**@realDonaldTrump**. I can announce we will publish a white paper on Brexit. Promise fulfilled.

**@realDonaldTrump** Huge win over Hapless Jeremy at prime minister's questions. LYING BBC called it a draw.

**@realDonaldTrump** Great meeting with **@realDonaldTrump**. We will have VERY special relationship, probably most special relationship EVER.

**@realDonaldTrump** Traded border wall tips. Brought gift — a piece of Hadrian's Wall to get him started. Scotland will pay for it.

**@realDonaldTrump** President loved gift. Asked for Hadrian's contact details.

**@realDonaldTrump** World trade v important. We are going to get a great trade deal with US. Can do in a week.

**@realDonaldTrump** Delicious buffet at W House chlorine-washed chicken and US beef with growth-giving vitamins. WHY can't we get this in England? #freetrade

**@realDonaldTrump** DJT v charming. Asks where I am staying. Says he's heard beds in UK embassy very bad, recommends a hotel next time.

**@realDonaldTrump** President says he knows a great place near W House. He's not involved but he knows the guys who run it. #matesrates

**@realDonaldTrump @hillerkiller** So he's **@realDonaldTrump** and **@potus**. Should I tweet at both? V confusing. Daily Mail me.

**@realDonaldTrump @hillerkiller** Oops I did it again #popculture #downwiththekids

**@realDonaldTrump** special relationship means honesty between friends. UK will be US most candid friend.

**@realDonaldTrump** Arrived to row over **@realDonaldTrump** torture remarks. As candid friend said I completely agreed with him. **@potus**

**@realDonaldTrump** UK does NOT believe in torture. Period. But we must make terrorists talk. NO WEAKNESS!

**@realDonaldTrump** Stressed to **@realDonaldTrump** vital role of Nato. The cornerstone of our freedom unless EU screws us in Brexit negs. #friendshelpfriendswithnukes

**@realDonaldTrump** V pleased **@realDonaldTrump** made clear he's totally committed to Nato with everything except for money & troops.

**@realDonaldTrump** Urged president to be wary of Russia. Keep sanctions! Stay strong! He says we can work with Putin. #givepeaceachance

**@realDonaldTrump** Fantastic meeting with key Trump aides. Ivanka, Jared, Barron and some guy with a dog he called Blondi.

**@realDonaldTrump** Long discussion about dishonest media reports of crowds at inauguration. As candid friend I confirmed his was most watched ceremony ever.

**@realDonaldTrump** Am about to do CNN. **@realDonaldTrump** says it is a failing channel, smaller than Fox...

**@realDonaldTrump** CNN numbers only higher because it is watched by millions of illegals, who also swelled crowd at Obama inauguration #citizensofnowhere

**@realDonaldTrump** President so right to put local jobs and businesses first. We will put UK jobs and Nissan first. End Sunderland carnage.

**@realDonaldTrump** Thanks **@realDonaldTrump** for fantastic visit. Special relationship is gonna be great. #yourMaggiealways
